GRID IRON HEROES

Considering the fact that the Southmoreland Scotties football team had to adjust to their new coach, Mr. Schrecengost, they played surprisingly well. Throughout the season we have seen them display their desire to win. We feel that in the upcoming years their endurance will strengthen and they will achieve their goals.

The Scotties may not be in first place, but in our hearts they will always be number one.

1990 Schedule

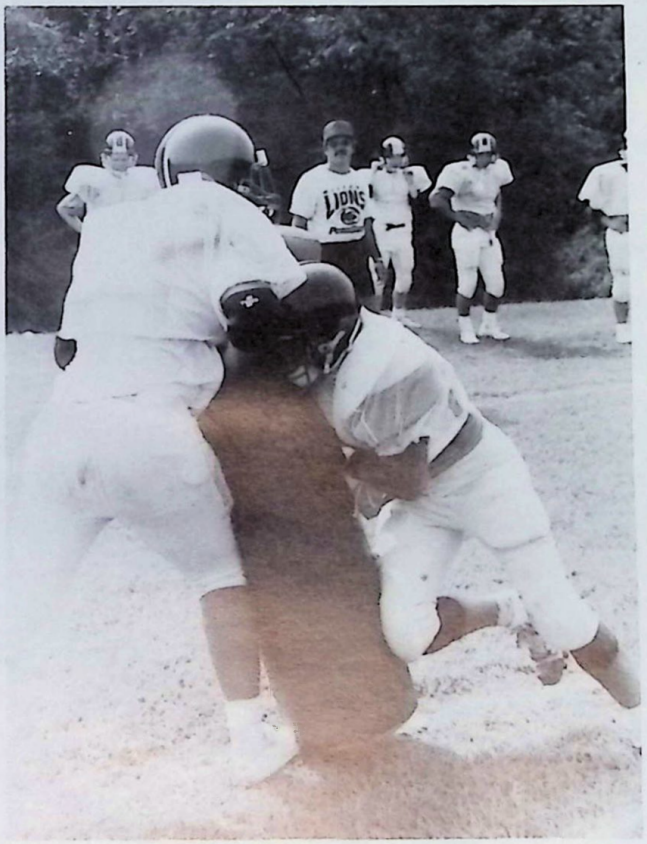
They demonstrated great skill in their victory over Hampton. Other victories that should also be credited to the Scotties are: Belle Vernon, Franklin Regional, and Derry.



Hey, that's my ball!

I wouldn't stand there if I were you.

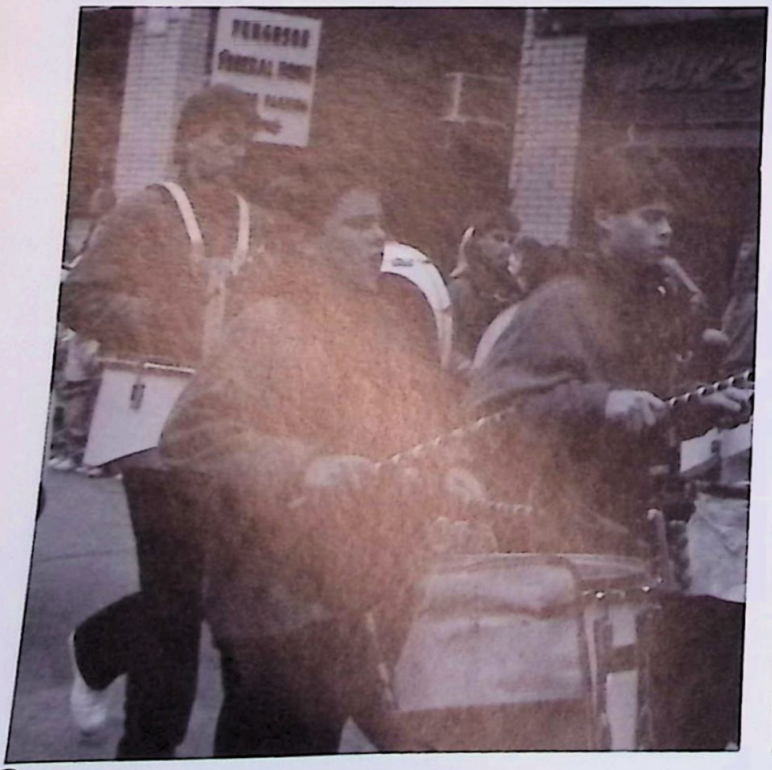
Come back here with that football!

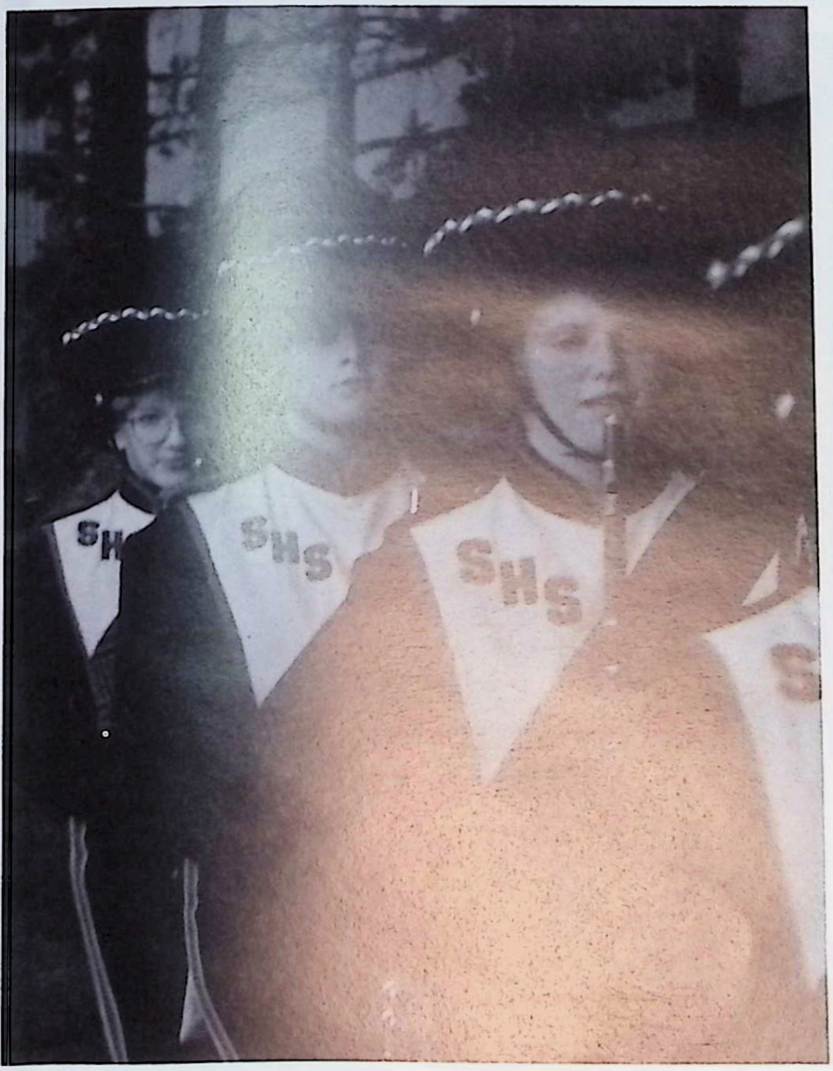
Melissa, cheer up!

Yo Mike, which way do we go?

"My futures so bright, I gotta wear shades."

Mike, Shawn, and Mike, what's weighing you down?





Omega, did you know that if you smile too hard your teeth will fall out?

"The Three Bandkateers"

Band

For the school year 1990 - 1991, The Southmoreland High School Band was introduced to a new band director, Miss Lauver. Before coming to Southmoreland, Miss Lauver taught band Ligoner. She has received her B.S. degree from Clarion University and has attained a number of graduate credits from all over. When asked about what she enjoyed most about the band, she told of the football games. She explained how the band was not only part of the activity, but they also got the chance to show the progression of the students, especially the ones who had begun in band camp knowing nothing and ended up fitting in quite well with the rest. She feels that the band has been given a great foundation in elementary and junior high school and because of this they have a large potential.

Jason Allison exclaims, "Boy does my foot hurt!"

Chuck Hileman is wondering, "Who lost a contact?"

On October 22, 1990 Senior night was held to recognize those soccer players that will be spending their final year with us. Through the support and help of many parents, the Scotties were cheered on to a victory over Penn Trafford that took them to the playoffs.

Oriental Reflections

Our ravishing and lovely Homecoming queen, Miss Michelle Lehman, was crowned on a beautiful Friday evening. The crowd cheered as the stunning young lady's name was announced as the winner. Walking off the platform and into the crowd, she captured the hearts of everyone there. The class of 1991 will share in the memory of Michelle's spectacular experience forever.

The Evening was September 28, the Occasion Homecoming 1990. Eight of Southmoreland's most dashing young ladies were present on the field. As they took their place upon the platforms they were surrounded by black oriental screens with large golden fans. The crowd cheered and waited patiently for the queen to be announced. A hush fell over the stadium. Finally, the moment all had been waiting for, Miss Michelle Lehman was announced as the new Homecoming Queen. Debra Hunter placed a sparkling tiara upon Michelle's head as she waved a final farewell to the position she once held.

The following are the other seven beauties on the court: Lori Scardina escorted by Micheal Cernuto, Suzie Gilpin escorted by Tim Finnerty, Kristine Maruszewski escorted by Jeff Kelley, Staci Speeny escorted by Micheal Rohm, Shari Hohol escorted by Chad McClain, Vickie Miller escorted by Brian Boyd, and Michelle White escorted by Bill Brown.

When Adam found out his brother was being stationed in the middle east he quotes, "I wasn't scared, I was proud." The only advice Adam has for anyone is not to get worked up because everything will be alright.

A Letter From Samuel Hicks

I have prepared myself for attendance at school with a yellow ribbon and my father's picture pinned across my heart.

My father, SFC David A. Hicks, 3rd Infantry Division, "Operation Desert Shield" (Storm) is separated from his family and friends for a cause he feels is just.

My father is jeopardizing his own life to fight and defend the lives of others - for women to be treated as women, men as men, and children as human beings and to suppress military dictatorship.

We all want world peace. We all want peace in our own country. Differences in opinion, greed, and power, separate us all from that peace. When we judge ourselves and perfect our own faults, then we have the insight to look into other situations with a different perspective.

Samuel Hicks,

Colonel Chico, a U.S. Marine, visited S.H.S to talk to English and History classes about the war in the Gulf.

Miss Ceroni opposses the war. She was asked these questions: Why do you oppose the war?

I want to believe we have evolved as a society to the point that we can find non-violent solutions to international disagreements. I don't believe that my favoring peace is necessarily taking a stance of opposition against my country.

Did anything influence you to oppose this war?

When I was a senior in high school, I would come home from school and watch the news. Daily I would see the "body bags" of the Americans who had died that day in the Vietnam "conflict". As the numbers mounted, my saddness increased as did my aversion to war.

Scotties Say It's Swimming Time!!

The Scottie swim season began on November 5th with the first practice held at the Scottdale YMCA. This years team started off with more than 30 people but by the first meet we narrowed down to 15. But those 15 swam there hearts out. The team consisted of only two seniors and the were girls Jennifer Sethman and Jenna Basinger. Following them are Kathy Butts, Jamie Dzyak, Joelle Cassady and only one boy from the boys' team Bryan Zadylak. The only Sophomores on th team were 4 boys: Randy Hernley, Keith Fullem, Jamie Frisch, and Preston Smith. And finally our freshmen girls Sarah Callaro, Jennifer King, Cristy King, Roselyn Casaco and Lona Spaugy. The coach was very proud of the team and there effort; they worked hard all season long. Everyone should be proud of our swim team.

Reeper Haunts The Halls

At Southmoreland

On May 16TH, 1991 the Grim Reaper had an unpleasant visit at S.H.S. He came to the only job he knows best, taking the lives away of the ones we love. Every 23 minutes of that dreary day someone died. Within one school day 21 of our classmates were killed by a Drunk Driver. At the end of the day we all gathered together to hear the obituaries of the victims.

Don't Drink and Drive.

Liza And Becky were at a party that had alcohol. But they choose not to drink. Later on that night they met up with some of their friends who did.

Chissy never thought 2 Beers would hurt her until she got into her Camaro, ran a stop sign, skidded across the road to avoid hitting a truck and smashed head on into a 30 foot tree that never felt a thing.

Retires

Ms. Rosemary Richard retired in 1990 after teaching for thirty-five years. She received her Bachelors degree in Science and Business Education from Thiel University. Her favorite aspect of teaching was working with the students. She taught Business Education and in her last year of teaching she taught English. When asked what moment stuck out in her mind during all of her years teaching, she told of the time that the Seniors went to Harrisburg. It was May, 5 1955 and she took a trip with Senior couples to Harrisburg. On the way home, during the middle of the night, on the highway their bus broke down. There was no way to call the parents. They needed to get to some form of shelter, so she hitchiked so the group could get to a Holiday Inn. When remembering what the greatest satisfaction she received from teaching, she said it's when a student came back to her to say "I still use the things that you taught me."

WE GAVE 28,000 HIGH SCHOOL GRADS A JOB.

Looking for a job can be pretty discouraging when you're fresh out of high school. Unless you look into the Army National Guard.

Our part-time jobs are close to home. They require no experience. And every one of them comes with a good paycheck. And a list of fringe benefits that includes up to $4,000 in tuition assistance for college or vocational school.

So, if you know a senior who's looking for a job, spread the word about the Army Guard.

Where we fill thousands of openings a year. And every one is a job with a future.

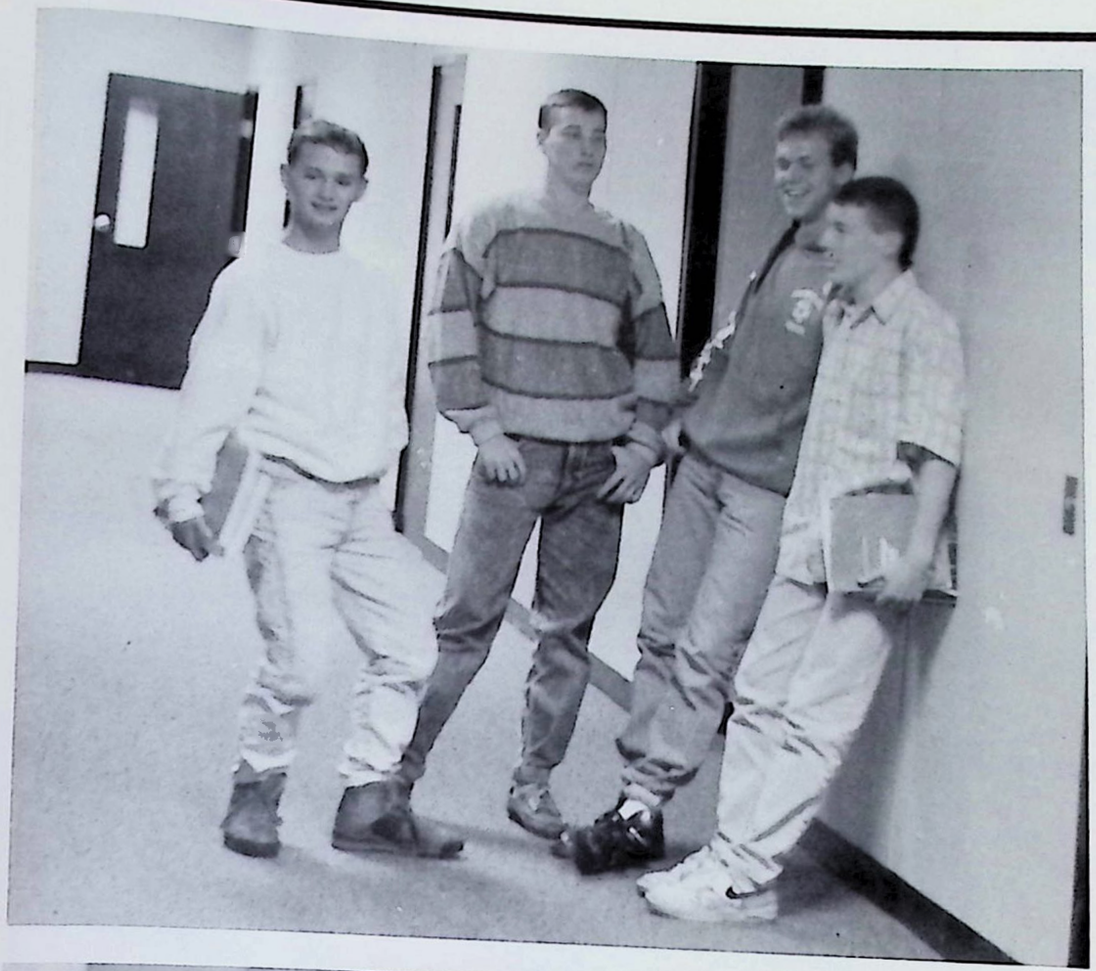
Summer . . .

Jen, Chuck, and Sean are taking time out of summer vacation to prepare for another football season.

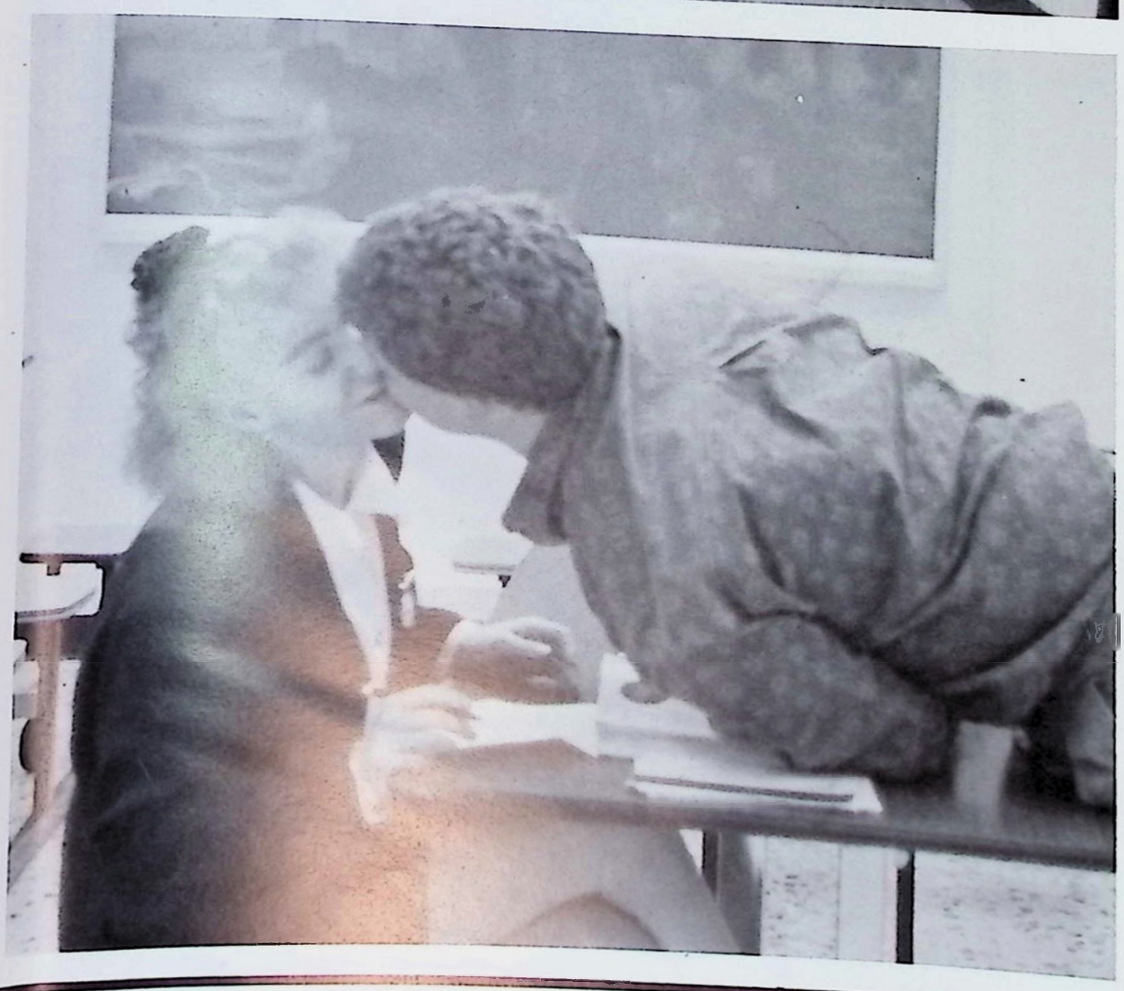
Fall . . .

Hey Dow, what time do they crown the Heritage Festival Queen?



Winter . . .

Guys, isn't it about time for you to get to class?



Spring . . .

Its that time again . . . Spring Fever!

So . . .

- You made it through the summer
- Started your senior year
- Decided you hated Algebra
- Changed your complete schedule to study hall
- Saw the Scots challenge Viking football
- Visited the Orient at Homecoming
- Found a hot date for the Turkey Trot
- Gave a pint of your precious blood to beat Mt. Pleasant
- Traveled with the Scots to the W.P.I.A.L. playoffs
- Watched Y.A.W.A. talent night rock the house
- Received non-biodegradable caps and gowns
- Visually witnessed the Grim Reaper attack
- Made a change and went to your final prom
- Lost the opportunity to ride the "Steel Phantom"
- Spent a final day picnicing among your senior pals
- Made a fool of everyone at class day
- May 31, 1991 faculty and friends watch in dismay as you exit the stage with diploma in hand
- It's been heaven on a stick, see you in five!

LOVE AND BEST WISHES,
